

Q.13

**Q.13**

The Q.13 profile is our smallest profile. This is also one of the smallest profiles on the market today.

This profile has limited choice in LED, as standard with 13W/m with Ra95. Optional in 2700K/3000K colour temperature.

This profile can build in very small housings, cabinets, or suspended. Ideal for illuminating paintings, shelves or a build-in profile.

The standard finish of this profile is anodized aluminium.
