

Q.la flaca

Q.la flaca

The Q.la flaca is an ultra slim floorlamp, made for subtle illuminating difficult corners in a room.

With it's elegant height and clean finish, this floorlamp is almost invisible.

With LED's with Ra95 and a lumenoutput of 2800lm, this floorlamp can be placed in any room for indirect light.

Dimmable with a floorswitch, you can set the brightness to your wishes.
