

Q.aureool

Q.AUREOOL

The Q.aureool is a round shaped suspended fixture with LED light technology.

Because this fixture can also be fitted with indirect light, the fixture is ideal for office use.

The fixture is standard in RAL9016(white), but can be produced in any RAL colour upon request.

Standard diameters are Ø1400 Ø1800and Ø3000, other dimensions upon request.

Because of internal drivers, this fixture is Plug&Play. Optional with DALI dimming.
